

What we ask of our customers:

We are now auto tracking our customers through a new system. If you are an auto customer or wish to be an auto customer please continue to read on:

We ask our auto customers to stay on track with us. If you put an addition onto your house, or add appliances that will use propane, please contact the office so we can update your usage. Also if you take an appliance off of your account or plan on using less propane please contact the office.

Help us keep you warm this winter.
